SELLER guarantees that this puppy is in good health, has been vet checked, vaccinated, dewormed and is well socialized for its age and stage of life.

The BUYER has 72 hours to have the puppy inspected by a licensed veterinarian. Should this dog be found in ill health, the cause of which is clearly attributable to the SELLER, this dog may, upon proof of written diagnosis from a veterinarian, be returned to the SELLER for refund of purchase price or for another dog of equal value, the choice to be determined by the SELLER. SELLER has the right to have the puppy checked by her veterinarian. BUYER agrees that the dog shall receive adequate training, care, and exercise appropriate to the breed and the needs of this particular dog. It shall not be kept permanently in a kennel. The dog and its parents have been fed a meat based, minimal grain diet and SELLER strongly recommends that BUYER continue to feed accordingly to ensure the highest level of health for the dog.

If it should prove necessary for the dog to change hands, SELLER has prior purchase rights for a period limited to 2 weeks. If SELLER does not wish to purchase the dog, BUYER agrees to make every effort to place the dog with responsible owners.

BUYER releases SELLER and his estate from any and all liabilities and/or damages by fault of this dog after the time of sale. These damages include, but are not limited to, destruction of property and/or physical damage to any person or group of people.
